RE: Relationship between OrthoSensor and Phoenix Analysis and Design Technologies (PADT)

To Whom It May Concern,

OrthoSensor has hired Phoenix Analysis and Design Technologies (PADT) to provide quality control and design and development services for this device. Therefore, some of the technical documentation appears with PADT's name or logo. OrthoSensor is the Design Authority and is responsible for the overall quality, safety, and efficacy of the device in accordance with Quality System Requirements (21 CFR Part 820).

OrthoSensor
